Spiritual Companion, Teacher

Julie is graduate of the FIND School for Spiritual Direction and Formation and has facilitated the search for knowing God through bible/book discussions for many years. It is a life-long journey to intimately know God, and our role as spiritual director is to walk along side another seeker and provide a safe space for them to explore, recognize and experience the way that God speaks individually to them.

Julie has been involved in a wide range of Christian denominations, so she is able to relate to our many “voices” of faith.

Julie is able to meet in the evenings, weekends and by ZOOM, if necessary.
