I have served as a spiritual director since graduating from FIND in 2017. I am grateful for the opportunity to walk humbly with those seeking to deepen their spiritual journey and to offer them encouragement and support. I am a Benedictine Oblate in the World Community of Christian Meditation. My spiritual pilgrimage includes completing the Forest Dwelling Program, a two-year course for spirituality for our elder years, offered by the Oblate School of Theology in San Antonio on 2022. I also completed a four-year Education for Ministry course offered by the University of the South Seminary at Sewanee in September 2013. I am an Episcopalian and a member of St. Luke's on the Lake in Austin, Texas.
